Penalty for breakdown							
Term deposit maturity: 3M;6M;10N	1;1Y;15M;21M;2Y			Accrued Interest	+		
Penalty for breakdown "18-month Time	e Deposit"						

a) If the Depositor will break down the deposit during the first 12 months, he will not earn any interest and the Bank will refund only the amount of the "Deposit Principal". b) If the Depositor will break down the deposit after the first year of the Maturity Date, he will earn only the interest accrued over the first twelve months and will lose the interest accrued over the last months.

Penalty for breakdown "30-month Time Deposit"

a) If the Depositor will break down the deposit during the first year, he will not earn any interest and the Bank will refund only the amount of the "Deposit Principal". b) If the Depositor will break down the deposit during the second year of the Maturity Date, he will earn only the interest accrued during the first year and will lose the interest accrued over the months of the second year. c) If the Depositor will break down the deposit during the last 6 months of the Maturity Date, he will earn the interest accrued during the first and second year and lose the accrued interest of the last months.

Penalty for breakdown "Three Years' Time Deposit"

a)If upon the Depositor's request, the partial or total withdrawal of the amount invested in the deposit occurs during the first year of the term, then the depositor will lose the interest accrued until that moment; b)If, upon the Depositor's request, the partial or total withdrawal of the amount invested in the deposit occurs during the first half of the second year, then the depositor will earn only 50% (fifty percent) of the interest accrued during the first year, meanwhile he will lose the rest of the interest accrued during the first year and the interest accrued until that moment of the second year. c)If, upon the Depositor's request, the partial or total withdrawal of the amount invested in the deposit occurs during the second half of the second year, then the depositor will earn the whole interest accrued during the first year, meanwhile he will lose the rest of the interest accrued until that moment of the third year, then the depositor will earn the whole interest accrued during the first year, and 50% (fifty percent) of the interest accrued during the second year, meanwhile he will lose the rest of the interest accrued during the second year, meanwhile he will lose the rest of the interest accrued during the second year.

e) If, upon the Depositor's request, the partial or total withdrawal of the amount invested in the deposit occurs during the second half of the third year, then the depositor will earn the whole interest accrued during the first and second year, meanwhile he will lose the rest of the interest accrued until that moment of the third year.

Penalty for breakdown "Upfront Time Deposit"

The penalty is equal to the whole interest amount which is prepaid to the customer's account until the deposit breakdown

Penalty for breakdown "Stafete Deposit"

If the Depositor will break down the deposit before the Maturity Date, then the depositor will not lose the applicable and accrued interest for every month until that moment, but he will lose the interest of the month when the request for the deposit breakdown is submitted, and he cannot demand any interest for the remaining period.

Penalty for breakdown "2 Year Time Deposit with 6 months interest liquidation (2Y L6)"

a)If, upon the Depositor's request, the partial or total withdrawal of the amount invested in the deposit occurs during the first year of the term, then the depositor will lose the interest accrued until that moment; b) If, upon the Depositor's request, the partial or total withdrawal of the amount invested in the deposit occurs during the first half of the second year, then the depositor will earn only the interest accrued during the first year, meanwhile he will lose the rest of the interest accrued during the first year and the interest accrued until that moment of the second year. c)If, upon the Depositor's request, the partial or total withdrawal of the amount invested in the deposit occurs during the second half of the second year, then the depositor will earn the whole interest accrued during the first year, meanwhile he will lose the rest of the interest accrued until that moment of the second year.

Penalty for breakdown "5 Year Time Deposit with fix interest rate"

a)If, upon the Depositor's request, the withdrawal of the amount invested in the deposit occurs during the first year of the term, then the depositor will lose the whole interest accrued until that moment; b) If, upon the Depositor's request, the withdrawal of the amount invested in the deposit occurs during the second year, then the depositor will earn only 30% (thirty percent) of the interest accrued until that moment (accrued interest is composed of the interest accrued during the first year and partly during the second year). The Depositor will lose 70% (seventy percent) of the interest accrued until that moment, c) If, upon the Depositor's request, the withdrawal of the amount invested in the deposit occurs during the third year, then the depositor will earn only 40% (forty percent) of the interest accrued until that moment (accrued interest is composed of the interest accrued during the first year, second year and partly during the third year). The Depositor will lose 60% (sixty percent) of the interest accrued until that moment. d) If, upon the Depositor's request, the withdrawal of the amount invested in the deposit occurs during the fourth year, then the depositor will earn only 50% (fifty percent) of the interest accrued until that moment (accrued interest is composed of the interest accrued during the first year, second year, third year and partly during the fourth year). The Depositor will lose 50% (fifty percent) of the interest accrued until that moment. e) If, upon the Depositor's request, the withdrawal of the amount invested in the deposit occurs during the fifth year, then the depositor will earn only 60% (sixty percent) of the interest accrued until that moment (accrued interest is composed of the interest accrued during the first year, second year, third year, fourth year and partly during the fifth year) The Depositor will lose 40% (forty percent) of the interest accrued until that moment.

enalty for breakdown for "5 years progressive time deposit"

- a) The deposit breakdown is not allowed during the first year. In case of exceptions, the depositor will lose the accrued interest of the current year and the interest that will be accrued for the remaining years until maturity;
- b) If the Depositor will break down the deposit during 2nd 5th year, then the depositor will lose the interest accrued for the year when the breakdown is made and the interest that would be accrued for the remaining years until maturity

Penalty for breakdown for "7 years progressive time deposit"

- a) The deposit breakdown is not allowed during the first year. In case of exceptions, the depositor will lose the accrued interest of the current year and the interest that will be accrued for the remaining years until maturity;
- b) If the depositor will break down the deposit during 2nd 7th year, then the depositor will lose the interest accrued for the year when the breakdown is made and the interest that would be accrued for the remaining years until maturity

LAW ON DEPOSIT INSURANCE

Deposit Insurance Agency (the Agency) is a public legal person, seated in Tirana, conducting its functions pursuant to the satisfaction of all the objectives based on the Law no. 53/2014, dated 22/05/2014, "On Deposit Insurance". "INTESA SANPAOLO BANK ALBANIA" SHA, based on the Law no. 8873 dated 29/03/2002 "On Deposit Insurance" amended by Law no. 53/2014 dated 22/05/2014, is provided by the Agency with the Deposit Insurance Certificate no.10 dated 11.05.2009. Based on this certificate, the Agency, according to article 33, paragraph 1, point a) of the Law no. 53/2014, dated 22/05/2014 "On Deposit Insurance", insures and compensates the insured deposits of any depositor of "INTESA SANPAOLO BANK ALBANIA" SHA to the extent of 100 percent, but in any case, not more than ALL 2,500,000 (two million and five hundred thousand Lek), irrespective of the number of deposits and their currency, deposited in this Bank.

A - DEPOSITS INSURANCE

"Depositor" based on Article 3, paragraph 17 of the Law no. 53/2014 dated 22/05/2014 "On Deposits Insurance" is any individual, entitled to receive the deposit repayment from an entity that is subject of deposit insurance scheme, including herein the deposit holder with full rights over a deposit jointly owned and any beneficiary of a third-party deposit.

"Deposit" based on Article 3, paragraph 13 of the Law no. 53/2014 dated 22/05/2014 "On Deposit Insurance bears the meaning defined by the law no. 9662, dated 18/12/2006, "On Banks in Republic of Albania", and/or any law amending it. "Insured Deposit", based on Article 3, paragraph 14 of the Law no. 53/2014 dated 22/05/2014 "On Deposit Insurance" is the aggregated value of all deposits of a depositor, including their accrued interest on the assessment or intervention date in a member entity of the scheme, except for the deposits excluded from insurance and compensation from the Agency, provided in article 32 of this Law:

- a) part of the deposit in the bank or branch of foreign branch totaling over ALL 2 500 000 (two million and five hundred thousand Lek) or amount equal to its counter value in foreign currency;
- b) deposits of the Bank, branch of the Bank, branch of a foreign bank and credit saving association in its name and on its behalf; c) deposits of the director, administrator of the Bank and their close relatives as defined in the Law on Banks;
- d) deposits of any person that owns 5 percent or more in the equity of the member entity or voting shares of this entity;
- dh) deposits resulting from activities related to money laundering and terrorism financing, which are declared illegal by final court decision; e) deposits of local and foreign merchants; f) deposits of local or foreign legal persons;
- f) deposits of local or foreign insurance and re-insurance companies; g) deposits of local or foreign enterprise or collective investments; h) deposits of local or foreign pension or pension insurance funds; i) securities issued from financial entities and any kind of other obligations that these entities have based on their promissory agreements; j) deposits of central or local government of Albanian Republic or another foreign country; k) unnamed deposits and/or whose holder is not clearly defined; l) deposits placed in the member entity of deposit insurance scheme during and after the insurance event in this entity; mm) deposits of the members of decision-making bodies of credit-saving associations based on the definitions of the law on credit saving associations, except for the general assembly.

B - DEPOSITS COMPENSATION

Compensation procedures, according to article 39, paragraph 1 of the Law no. 53/2014, dated 22/05/2014 "On Deposit Insurance", start immediately at the moment when the Agency is informed in writing by the Supervision Authority on placement of the member entity of deposit insurance scheme under obligatory liquidation. Compensation begins not later than three months from its beginning. The agency, according to article 33, paragraph 1, point a) of the Law no. 53/2014 dated 22/05/2014 "On Deposit Insurance", insures and compensates insured deposits of every depositor in the Bank or in the branch of the foreign bank at the extent of 100 percent, but in any case, not more than ALL 2,500,000 (two million and five hundred thousand Lek), irrespective of the number of deposits and their currency, deposited in this Bank.

C - TERMS AND CONDITIONS OF COMPENSATION PAYMENT

Maximum level of compensation for every depositor, according to article 38, paragraph 2 of the Law no. 53/2014 dated 22/05/2014 "On Deposit Insurance" is calculated based on the definitions of article 33 of this Law, deducting the amount of overdue liabilities of the depositor due to the member entity, resulting overdue on the intervention date by the Supervisory Authority. The Agency, based on article 38, paragraph 12 of the Law no. 53/2014 dated 22/05/2014 "On Deposit Insurance", is entitled to refuse compensation or demand compensation for insured deposit, when the compensation right is based on inaccurate and fraud data, and when it is observed that there is no insured interest. Insured interest is the legal interest and objective need of the depositor to be protected from the financial loss of deposits in case of an insurance event.

The Agency, based on article 39, paragraph 4 of the Law no. 53/2014 dated 22/05/2014 "On deposit insurance", may compensate the insured deposit through one of these ways:

- a) payment of ALL amount to the person in the premises of the entity that is subject of liquidation in cooperation with the liquidator; b) payment of ALL amount to the person in the premises of another scheme member bank (agent bank);
- c) transfer of the amount received by the depositor in a member bank of deposit insurance scheme; ç) cheque payment; d) other means of payments approved by sub-legal act of the Supervisory Authority.

Note: This information is provided pursuant to the public information obligation of the scheme member entities based on article 27 of the Law no. 53/2014 dated 22/05/2014 "On Deposit Insurance".
